▶ Look at the information about donkeys on page 2.

▶ Put this information - and any other interesting facts you've learned from research - into the blank timeline on page 3.

▶ You can do this in two ways:

1. Cut out the boxes and paste them onto the page with arrows placing them correctly in time (if you are doing this your teacher may give you the timeline on larger A3 paper)

2. Annotate the blank timeline with the information by summarising it yourself.

▶ Complete the tasks on page 4 and the optional extension task on page 5.

Content for Timeline

Cut out and stick these facts, stories or legends on the next page, or annotate your timeline by transferring the information
